RECOMMENDATION LETTER FOR RC AUTO

I am happy to recommend the high quality services of RC Auto to you.

RC Auto is known to me for more than 4 years as the supplier of spares including new spares, 2nd hand spares, and alternative spares as well as tyres and other vehicle accessories such as batteries. As far as I know they have a very good reputation in the market with very reasonable prices compared to other suppliers. They offer high quality services and we have always been satisfied by their supply and work.

I strongly recommend RC Auto for acceptance to the panel of your Company.

Feel free to make contact with me if you need more information.

Sincerely
