LETTER OF RECOMMENDATION: RC AUTO

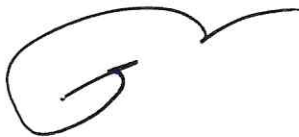

I am writing this letter to recommend the services of RC Auto to you.

We have been using RC Auto since August 2018 for the supply of new, used, second hand and alternative spares as well as accessories such as tyres and batteries and have always been completely satisfied with their services. They do an excellent job and offer very competitive rates.

It is with great pleasure that I recommend RC Auto for admission to your panel.

Please feel free to make contact with me in the event where you need more information.

Best regards
